Petitioner is challenging certificate issued by the Tahsildar stating that petitioner's son studied in school located in urban area, which does not qualify for the admission under the rural quota in the 2nd respondent school. The certificate has to be issued based on norms, whereunder Chengamanadu, where the school is located, is an urban area. In the circumstances, there is no justification to interfere with the certificate issued by the Tahsildar based on norms. Writ petition is dismissed.
